Label	Environnement	Description
	FSC®	Le label identifie les produits provenant d'une gestion durable et responsable des forêts.
	PEFC	Le label donne l'assurance que le produit est issu de pâtes produites exclusivement à partir de forêts gérées durablement.
	Recyclé	Produit fabriqué à partir de fibres recyclées (provenant de déchets de papier post-consommation).
	Ecolabel européen	Le label garantit une réduction des impacts sur l'eau, l'air et les sols en diminuant la consommation d'eau, d'énergie et de produits chimiques dangereux.
